July 26, 2010

Dear Job Seeker,

It is with deep appreciation that I write to thank you for attending what I hope to be a successful job fair. I hope that you may benefit from this event in your search for a new job.

Our country and our state are at a time of unprecedented economic turmoil, and it is more important than ever that we assist people by providing them with the tools to succeed.

To help spark the local economy, I have been a strong supporter of proposals to cut wasteful spending, reduce the burden of the public sector on the economy, and allow us to work quickly to create quality jobs. Equally important is working hard to make healthcare more affordable for businesses and their employees.

I am dedicated to working with both Democrats and Republicans in Congress to ensure that providing the tools and resources to businesses and job seekers is a top priority.

Thank you again for attending. Again, I wish you the best of luck in your job search.

Very truly yours,

A handwritten signature in black ink that reads "Peter Roskam".
